IBRAHIMA AAQUIL

Data Analyst | Research Data Management & Quality Assurance | SQL, Python, Power BI

College Park, MD | Open to Relocation | 240-636-2254 | medina19aaquil@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Data analyst with an M.S. in Engineering, Data Analytics and experience in university research data management, institutional reporting, and nonprofit analytics. Builds reproducible SQL and Python workflows to clean, validate, and document data, and reports findings through Power BI dashboards and descriptive statistics. Reduced reporting errors by 20% and manual reporting time by 40%, and has applied statistical and machine learning methods to public health and traffic safety datasets.

TECHNICAL SKILLS

Data Analysis: Python (Pandas, NumPy), SQL, R, Excel, Descriptive Statistics, Data Cleaning, Transformation, and Validation

Research Data Management: Data Dictionaries, Quality Assurance, Data Documentation, Reproducible Workflows, Survey Analysis

Reporting & Visualization: Power BI (Power Query, Power BI Service), Tableau, Dashboards, Trend Analysis, Reporting Automation

Data Systems: REDCap, Oracle SQL, Relational Databases, Microsoft Fabric, Azure Synapse Analytics, Microsoft Office

PROFESSIONAL EXPERIENCE

Data Support Volunteer | American Red Cross, National Capital & Greater Chesapeake Region **Oct 2025 – Present**

- Develop recurring Excel and Power BI reports for six regional chapters and publish them through Power BI Service, supporting multisite performance reporting across Maryland, Washington, DC, and Virginia.
- Validate and reconcile Volunteer Connection records documenting 10,000+ volunteer service hours, identifying missing information, discrepancies, and inconsistent data.
- Analyze quantitative and qualitative survey results, engagement measures, and operational performance trends across chapters.
- Prepare reporting datasets with Microsoft Fabric notebooks and data pipelines; standardize reporting templates and documentation for stakeholders.

The Catholic University of America | Washington, DC

Research Data Analyst **Dec 2024 – May 2025**

- Developed reproducible SQL and Python workflows to query, clean, transform, and validate 30,000+ institutional records.
- Investigated inconsistencies and improved quality assurance processes, contributing to a 20% reduction in reporting errors.
- Documented reporting procedures and standardized data definitions used by 50+ university stakeholders.

Data and Reporting Analyst **Mar 2024 – Aug 2024**

- Automated recurring SQL and Excel reporting workflows, reducing manual reporting time by 40%.
- Gathered stakeholder requirements and standardized administrative reporting processes and documentation.
- Maintained data dictionaries and validated structured datasets during a REDCap migration completed with zero data loss.

Administrative Staff | ESTG Groupes **Apr 2023 – Nov 2023**

- Developed Power BI dashboards tracking sales performance, customer distribution, and regional demand for management.
- Prepared analytical reports and PowerPoint presentations communicating sales trends and findings to management.

RESEARCH PROJECTS

- **Cardiovascular Disease Prediction:** Analyzed about 70,000 cardiovascular health observations with demographic, clinical, and lifestyle indicators, comparing logistic regression, decision trees, random forest, multilayer perceptron, and ensemble models.
- **DC Traffic Safety Analytics (published on SSRN):** Analyzed 300,000+ Washington, DC crash records using SQL, Python, and statistical and machine learning models (CatBoost, 88.8% recall for severe crashes), reporting findings through visualizations.

LEADERSHIP & BUDGET GOVERNANCE

President, Graduate Student Association | The Catholic University of America **May 2025 – Nov 2025**

- Represented about 3,000 graduate students and collaborated with administrators and faculty in university decision-making.
- Oversaw budget processes with the Treasurer, reviewing funding requests and resource-allocation decisions.

EDUCATION & RECOGNITION

M.S. in Engineering, Data Analytics | The Catholic University of America **Jan 2026**

B.B.A. in Financial Management | Institut Supérieur de Commerce et d'Administration des Affaires (ISCA) **Mar 2023**

William & Mary Graduate Research Symposium: Presenter; Award for Excellence in Research (Visiting Student) **Feb 2026**
